

OUR FAMILY ONLINE TECH AGREEMENT

I the Parent agree that:

- My child will not lose their phone privileges if they immediately tell me when they think that they are being cyberbullied, or are contacted by an unknown person, or receive images or videos of a naked or partially nude person or that are sexually focused, or receive a request to send such an image or video.
- Provided that my child keeps to our agreement, I will not take my child's phone or tablet away from them without a very good reason not related to the items covered in this agreement.
-

I the Child agree that:

- I will always immediately answer a phone call or text from my parents.
- I will only use my phone at school in accordance with the school's phone usage policy.
- I will only communicate with people that I have met in person or the people approved by my parents.
- I will not take, save or send to anyone, any pictures or videos of myself when naked, or partially nude or that are in any way sexually focused.
- If I am asked to send those sorts of images, I will immediately notify my parents. And if I receive such images of others, I will also immediately tell my parents.
- I will not harass, embarrass, or bully another person in texts, social media messages or using the internet. And if I am, or I think that I am, being cyberbullied I will tell my parents.
- Where my parents need to know the username and password of all my accounts for social media apps, emails, and other types of communication apps, if I need to change a password I will promptly inform my parents of the new password.
- I will not share my phone number, address or other personal information online.
- I will not use my phone when I am driving.
